

## 2018 AFRICAN AMERICAN LEADERSHIP SOCIETY

George Eastman had a vision for a thriving community when he founded what we know today as United Way of Greater Rochester. A century later, the support of hundreds of businesses and thousands of people is making that dream come true.

Thank you to the following donors who connect with United Way's African American Leadership Society (AALS) through their gift of \$1,000 or more each year. The Society is named for Howard Wilson Coles to pay tribute to his passion for improving the lives of local African Americans. AALS is made up of Rochester's most inspiring, proactive African American leaders who are dedicated to making a difference with United Way—in giving back and looking forward to a community where everyone can thrive.
