

## 2018 LEADERS UNITED

George Eastman had a vision for a thriving community when he founded what we know today as United Way of Greater Rochester. A century later, the support of hundreds of businesses and thousands of people is making that dream come true.

Thank you to the following United Way Leaders United members for being a part of United Way's 100<sup>th</sup> Anniversary. Leaders United members generously give \$1,000 (\$500 for Emerging Leaders Society) or more each year to make a difference with United Way—in giving back and looking forward to a community where everyone can thrive.
